Note for Supplementaries.

The Government's policy laid down in 1928 contemplated the taking over of at least one Local Fund or Municipal Medical institution in each revenue division of a district. Accordingly they approved a lis of institutions to be provincialised totalling 207. Of these 136 have been taken over. ~~And 3 more will be~~ Three more will be provincialised this year. In the South Kanara District all the 5 taluk Headquarters institutions have been provincialised. Hosdrug is the centre of sub taluk. In the approved list, some sub taluk Local Fund institutions have also been included perhaps on account of their importance in the districts concerned. There is
